DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCES METHOD EXEMPTION 302B  
NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

1. In answer to the queries posed in paragraph 2 of the first reference, the dissolution of the [ ] "JEWELRY" axis" cannot be expected to relieve us of the obligations and commitments undertaken by us at the London OSOPUS/VALUABLE meeting of October 1953 as set forth in the attachment to the second reference, paragraph 15. That agreement clearly commits us to coordinate the texts of leaflets with JEWELRY in Athens if they originate there. After the departure of [ ] "JEWELRY" from Rome, leaflet texts will therefore have to be coordinated with [ ] in Athens.

2. At present the contents of QXPALING are also coordinated with JAVELIN in Rome. This phase of our agreement with JAVELIN will naturally lapse when the newspaper is shifted to New York merely for lack of a JAVELIN representative in that city. However, we have recently suggested to JAVELIN that their Washington representative may wish to scrutinize the newspaper before publication.

3. There would appear to be no need for [ ] or [ ] to work as closely with [ ] as [ ] as with HUNSMITH since we have abandoned the notion of attempting to control all the activities of HUNSMITH.
